## Volunteers Needed

Make a difference with as little as 1 or 2 hours per week!

## Flexibility:

You choose the days and times you volunteer.

Make your neighborhood safer by being the *Eyes* on the Street as students walk/bike to or from school.

## Community:

Be an integral part of your community; interact with school officials, parents and neighbors, and participate in trainings and recognition events.

## **Stay Fit:**

Exercise, such as walking as part of this volunteer opportunity, has great health benefits for you and the kids!
