

COMMUNITY SERVICES COMMISSION

MINUTES – July 8, 2020

This meeting was conducted utilizing teleconferencing and electronic means consistent with State of California Executive Order N-29-20 dated March 17, 2020, regarding the COVID-19 pandemic.

CALL TO ORDER/ROLL CALL: Chairman Spiller called the meeting to order at 6:12 pm.
Commissioners Present: Brand, Cabales, Dean, Gorham, Radenheimer, Spiller. Absent: Duff.
Staff Present: Sue Richardson, Director of Community Services

APPROVAL OF MINUTES: June 10, 2020. Commissioner Radenheimer moved, Dean seconded. All in favor, Cabalas not signed into meeting yet.

PUBLIC COMMENTS: None

MACARTHUR PARK MASTER PLAN PRESENTATION: Jacob Leon and Chris Langdon from KTU&A presented two concept plans for MacArthur Park. Their presentation is also recorded and available for the community to review along with a survey to complete. A follow up presentation is tentatively scheduled for the October 14, meeting with results and a hybrid plan.

COLLIER PARK PROJECT UPDATE: The estimate for construction for Phase 2 is \$2,650,000. Current available funds are \$1,728,000, with a funding gap of approximately \$925,000. The City is reviewing the estimate and will be working with engineers and architect to bring the number closer. The goal is to not value engineer too much and keep it as close to the master plan as possible and find additional funding to back fill the gap. Director Richardson will forward the design to Commissioners.

COMMUNITY SERVICES UPDATES:

1. Day camp is in session at the Adult Enrichment Center, Nan Coutts Cottage, and Community Center.
2. The Pool is open for lap swim with reservations on-line. Only 6 people are allowed in the pool at a time. Mechanical problems have cause some sessions to be cancelled. Water exercise, City camps, then parent-tot classes will be added next.
3. City currently has a survey out to Village businesses regarding outdoor dining in parking areas.
4. The Rides4Neighbors program continues to offer trips to grocery stores and doctor for seniors and disabled.

COMMISSIONER REPORTS:

Commissioner Cabales requested an Excel spreadsheet of the Commissioner park reports and status of comments and projects.

Commissioner Brand announced that fencing for the community garden will soon go up and the old golf course clubhouse has been power washed to prepare for painting. The community garden sign will soon be hung at the old golf course sign.

Commissioner Spiller noted that schools are planning on opening in the fall, but won't look like in the past. Facilities will be open on a limited basis. The GUHSD will continue to serve meals to the community every day.
