Help Shape the Future of Recreation and Parks in La Mesa

La Mesa, CA – The City of La Mesa is developing a Recreation and Parks Master Plan (Plan). The Plan will be a comprehensive effort dedicated to improving parks, recreation programs, and services for La Mesa residents. This year-long effort will help set the framework for future planning, maintenance, development and rehabilitation of City parks and facilities.

You are invited to attend one of two upcoming workshops in April to learn about how the existing park network is serving residents and help identify park and recreation needs. The City is committed to making the planning process a collaborative effort. The content of the two workshops will be the same, attend either one.

Workshop Opportunities:
