In consideration of the granting of this application, it is agreed by the applicant that the **City of La Mesa** and any officer or employee thereof shall be saved harmless by the applicant from any liability or responsibility for any accident, loss or damage to persons or property happening or occurring as the approximate result of any of the work undertaken under the terms of this application and the permit or permits which may be granted in response thereto and that all of said liabilities are hereby assumed by the applicant. It is further agreed that if any part of this installation interferes with the future use of the highway by the general public, it must be removed or relocated as designated by the City Engineer at the expense of the permittee or his successor in interest.

NOTE: This Application shall be attached to the permit if the permit is not signed by the applicant.			
Signature	Name	Title	Date

Note: Utility companies need NOT fill out Property Owner’s information, if the permit application is to install, repair, maintain etc. for company owned facilities. **Owner’s information shall be completed if the application is to provide services for a specific property / parcel.**
